**Subject:** Final Invoicing--EPS30703 Task Orders

Good Morning John,

Our records indicate that the following task orders are showing unliquidated obligations as of 8-7-12. Since this contract expired May 30, 2012 Task Orders 28 - 30 were extended beyond the expiration date.

Therefore, in order to deobligate funds not required for payment, kindly review the following sites for any costs pending and respond by Friday, August 17, 2012:

**nonresponsive**

35 Dimock Residential Groundwater Site

Thank you in advance for your assistance in this matter
